

MEDITECH USERS NETWORK

DELEGATE
INVITE

MUN Conference 2023

4th & 5th October at Crowne
Plaza Hotel, Liverpool

Dear MEDITECH Member,

Please find details of the forthcoming MEDITECH Users Network 2023 event in Liverpool.

The conference provides a wonderful opportunity for MEDITECH users to learn more about the MEDITECH developments, implementations and innovative solutions directly from their peers and have a chance to catch up with how member organisations are using MEDITECH to its best advantage.

Both MEDITECH UK and MEDITECH representatives are attending and will be providing presentations on how to optimise their solution and also present the future strategic direction.

At the conference there is also an opportunity to talk to other vendors either by visiting vendor booths in the exhibition area or attending vendor presentations as per the agenda. In addition to the formal agenda, there will also be an opportunity to meet vendors and socialise at the Wine and Canapé Event which will take place on Wednesday 4th October at 4:15 pm.

Further networking opportunities will be available during dinner on the first day of the presentation. A three-course meal will be served at the Royal Liver Building, Pier Head, Liverpool, Merseyside L3 1HU

Register online at www.meditechusersnetwork.co.uk

Deadline: 5pm Thursday 31st August 2023

Keynote Speaker

Chief Marketing and Nursing Executive, Cathy Turner

Cathy will be the MEDITECH Keynote Speaker at the MUN conference this year.

Cathy will highlight how the innovative use of technology has the power to improve patient outcomes, empower clinicians, and drive operational efficiency.

Hear first-hand about MEDITECH's vision for the future and the innovative technology and trends that will drive the digital transformation of healthcare.

Vendor Competition

A competition for visiting sponsors stands will take place. Further details to follow at the conference

Registration

This year the fees for MUN delegates have been waved. The organisers may revisit this at future conferences. Includes Entry, Lunch, Dinner and Wine & Canape' Event.

Please note that dinner capacity is limited. If capacity is reached then attendance will be managed on a first come first served basis

Register online at www.meditechusersnetwork.co.uk
Deadline: Thursday 31st August 2023

Presentation Slots and Competition Entries

As well as attending, you may actually wish to be directly involved in the conference programme itself. Have you implemented something within your MEDITECH solution over the last 12 months which is leading edge and perhaps different to the norm? Have you implemented another vendor solution which has enhanced your use of MEDITECH? Will other sites be able to learn from your hard work, and will this enable others to achieve success through your experiences?

The success of the MUN conference is attributable to every MEDITECH facility and its staff reflecting on the successes they have achieved over the last 12 months, and being willing to share those experiences for the benefit of other MEDITECH sites/users, and ultimately patient care.

If you consider that you have done something over the last 12 months which pushes the boundaries, or there is likely to be a significant degree of interest from others (especially International/US MUN sites & colleagues), why not enter it into the **MUN 2023 Competition**.

Presentations slots are either 30 or 60 minutes and any presentation, whether or not they are part of a Session, can be a competition entry.

If you wish to conduct a presentation, please complete the relevant sections in the registration form, which can be found on our website www.meditechusersnetwork.co.uk.

Competition entries are judged by an independent panel, and one winner will receive an **all expenses paid trip** to the next **MUSE International Conference**

Conference Theme - What does improving digital maturity mean for our patients?

This year the conference will focus on digital maturity and what that means for staff and patients. We want attendees both NHS and non-NHS to show examples of how they have explored the impact of digital maturity on patients and to share best practice. Vendors are also invited to present alongside MEDITECH and showcase where their solutions can support organisations in achieving and leveraging digital maturity.

Venue and Accommodation

Crowne Plaza, Liverpool City Centre, St Nicholas Place,
Princes Dock, Liverpool L3 1QW

Hotel Reservations: **0871 423 4876**
