

**MEDITECH USERS NETWORK**

# Annual Conference 2024

## Maximising the Value of MEDITECH

Wednesday 2<sup>nd</sup> & Thursday 3<sup>rd</sup> October  
Venue: INNSiDE by Meliá, Liverpool

Please find details of the upcoming  
MEDITECH Users Network 2024  
event in Liverpool.

This year, the conference will focus on the theme 'Maximising the Value of MEDITECH', highlighting its significance for both staff and patients alike. Attendees, including representatives from the NHS and non-NHS sectors, are encouraged to share their insights on how they've harnessed the full potential of MEDITECH to enhance patient care and operational efficiency. We invite all participants to showcase exemplary practices and innovative approaches in leveraging MEDITECH's capabilities. Vendors are also invited to collaborate with MEDITECH, presenting solutions that align with the goal of maximising the value of MEDITECH and fostering digital transformation within healthcare organisations.

The conference provides an ideal opportunity for MEDITECH users to learn more about the MEDITECH developments, implementations and innovative solutions directly from their peers and have a chance to catch up with how member organisations are using MEDITECH to its best advantage.

**DELEGATE  
INVITE**

### ● KEYNOTE SPEAKER

#### **Christine Silva**

Senior Director of Field Marketing Operations within MEDITECH's Marketing Division.

Christine leads a team focused on building close connections with the sales team. The Field Marketing Operation Team performs all sales support activities including Product Demonstrations, Clinical Liaison Presentations, Requests for Proposals, and Reference Site Visits. She has been with MEDITECH for 25+ years serving in numerous capacities in the Implementation, Client Services, Marketing, and Strategy Divisions. She is a Certified Product Manager and a Certified Product Marketing Manager.
